OSHA Docket
Docket No. H-122
Room N-2625
200 Constitution Avenue, NW
Washington, DC 20210

To whom it may concern,

I oppose the proposed OSHA regulation, and I oppose all bans on smoking. I work on a freight dock, but in the office smoking has been banned. I won't go to any place (restaurant, etc.) that has banned smoking. I favor the idea of designated areas for smokers and nonsmokers. I feel designated areas are working fine. If smoking is banned, many establishments will lose business. As far as smoking in my own home, it's my home, and if someone doesn't like smoking, they don't need to come to my house. I don't feel there is any need for further regulation if designated areas are available.

Sincerely yours,

Mr. Ron Hane
